

LET'S MAKE SOME WISHES!

Beside each number, write or draw pictures of what you would wish for if you could have that many of that wish! For example: Beside the "1," we drew "one" bag of jellybeans. Beside the "2," draw what you would like to have "two" of.

HANDPRINTS!

Trace your hand! Then, beginning with the thumb, write sequential numbers on the fingers, 1–5. Then, add decorations to each finger. Each finger should have as many decorations on it as the number on the finger. For example: If the thumb is labeled “1,” then there should be “one” decoration on that thumb. If the index finger is labeled “2,” then there should be “two” decorations on it.
